Small Business Energy Advantage: Program Overview

Small Business Energy Advantage (SBEA) is a turnkey program

Helping you each step of the way to save energy and cut costs

Assessment

No-cost energy
assessment

Comprehensive
proposal for energy
saving measures

Implementation + Incentives

Custom and pre-
determined incentives
for eligible measures

Qualified vendors
install measures and
help you through the
process

Financing

Zero-interest and low-
cost financing for the
balance of installed cost

(payable on your
monthly electric bill, so
you only have one
monthly payment)

SBEA Eligibility

Commercial and Industrial Eversource customers that use less than 3,000,000 kWh annually

- **Hint:** Gather last month's bill and determine if your usage is under approximately 250,000 kWh monthly. If so, you likely qualify.

Types of Businesses that may benefit:

Restaurants

Houses of
Worship

Retail

Gyms

Libraries

Small Offices

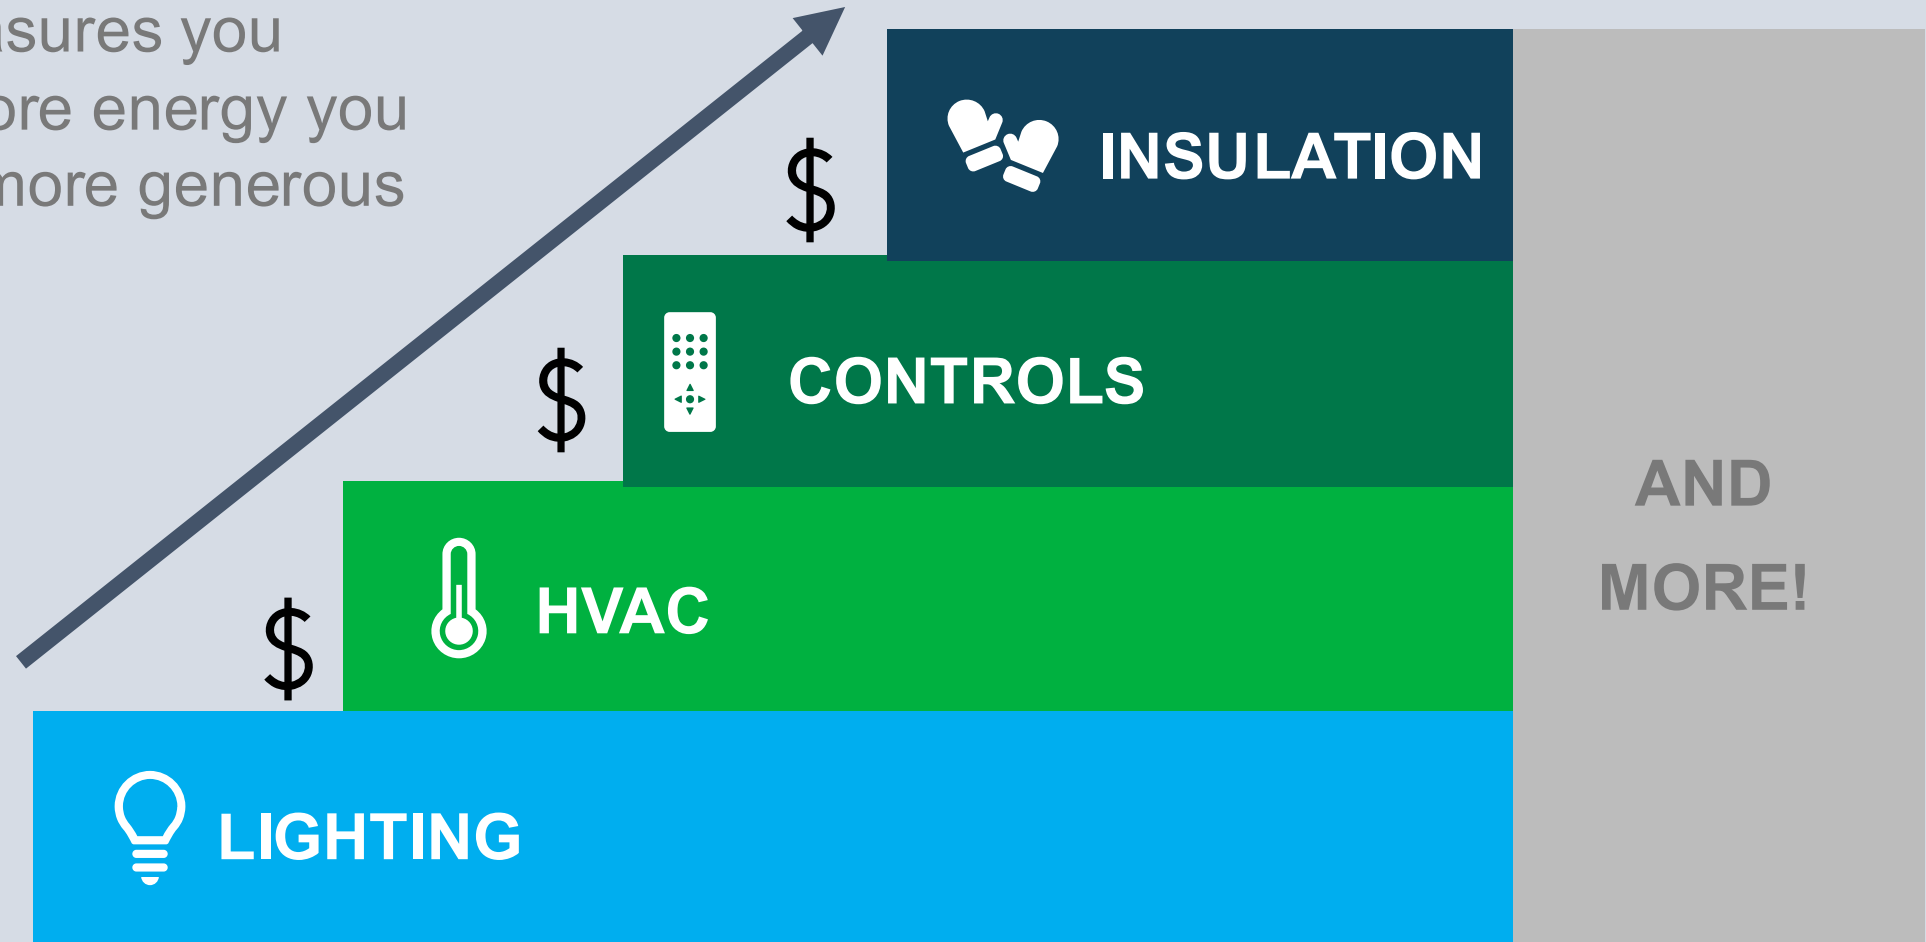

Non-Profits

Small
Manufacturers

Do more. Save more.

The more measures you pursue, the more energy you save and the more generous the incentive!
